AUDIT OF ACADEMIC & ADMINISTRATIVE SECTIONS

Sree Buddha College of Engineering ensures the quality of education through academic and administrative audit every year as shown in figure. For the academic affairs, there are two types of auditing, one is conducted internally and the other by the University. The administrative audit is conducted internally by the IQAC unit. The financial part of the administration is done by an external audit expert.

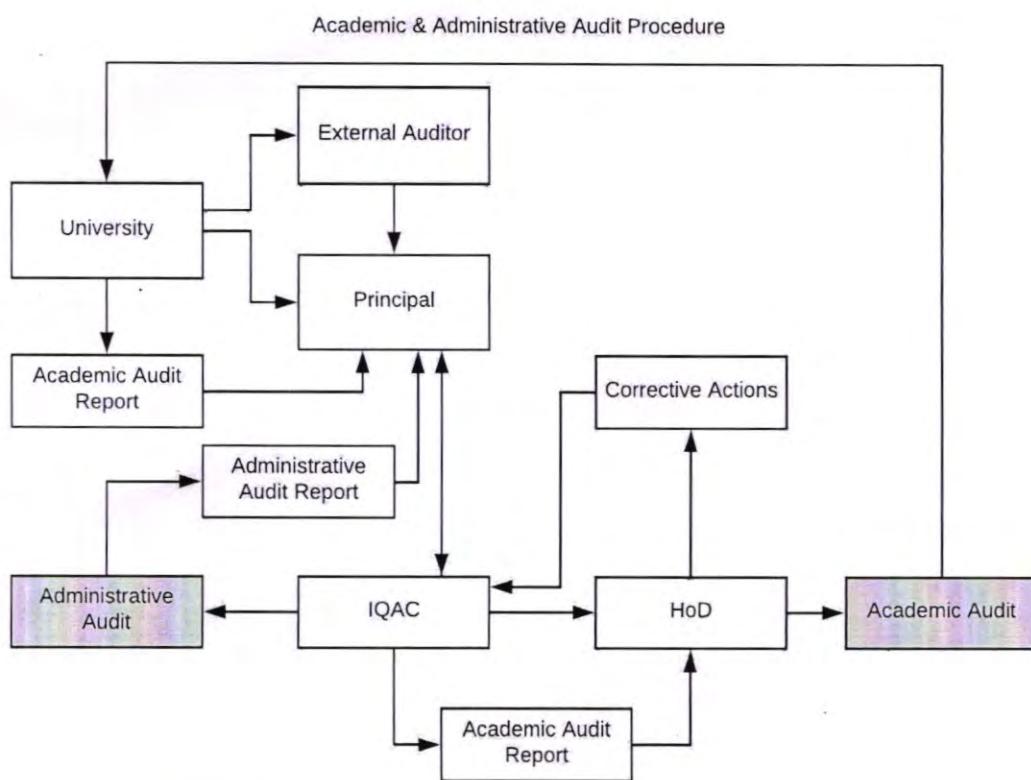

Fig. 1. Academic and Administrative audit Procedure

The external academic audit is conducted by the University (KTU) as a part of the quality assurance. The procedure is as follows:

- The University appoints an external auditor for one academic year and intimates the schedule and guidelines to the Principal.

ALAPPUZHA (Dist). PIN - 690 529

- External auditor conducts the academic audit for the Institute and departments with the concurrence of the principal.
- IQAC extends the necessary supports and facilities for the successful completion of the audit.
- The external auditor prepares and submits the academic audit report directly to the University and the University sends the feedback on the report to the principal after reviewing.
- The feedback from the University is again send to the respective HoDs.
- The HoD, with the help of DAB, initiates corrective actions if necessary and intimate the same to IQAC.

The process of administrative audit conducted by IQAC is presented below.

- The Principal initiates the audit through a circular to IQAC. The IQAC deputes audit committee covering various departments of administration
- Audit committees perform the audit
- Audit committee prepares and submits the audit report to Principal.
- After reviewing the report, the Principal sends a feedback to the management.

The academic audit reports are presented below.

ADMINISTRATIVE AUDIT REPORT

Purpose and scope of administrative audit

To assess the administrative infrastructure of SBCE, to confirm that it is fit for the purpose of supporting validated programmes, and to conclude the due diligence checks.

The administrative audit covers a range of administrative, financial and governance issues including financial viability, planning, administrative staffing and processes, IT structure and communications. The auditors will wish to be assured of a sound academic and administrative infrastructure to support the quality assurance and enhancement of SBCE.

The audit includes discussions with relevant members of administrative staff.

A handwritten signature in black ink, appearing to read "Dr. S. SURESH BABU". It is written over a horizontal line.
