Dear Sujit S Nair,

Welcome to the US Technology Family!

Thank you for the keen interest you have shown in our organization. Consequent to your application, interviews and the personal discussions with us, we are pleased to offer you a career with **US Technology International Pvt Ltd. ("US Technology")**. Please accept our heartiest congratulations.

You have every reason to be excited at the prospect of this opportunity to work with one of the best companies in the world. US Technology is one of the fastest growing IT companies in the world. During your tenure in US Technology, you will have ample opportunity to learn and develop, personally as well as professionally. The Company will expose you to a world-class, professional environment that should help you to become a top-notch software professional.

You have performed extremely well in the selection tests and you should be proud of being selected for this opportunity from a large crowd of aspirants. As much as you would have high expectations from the Company, it is only natural that the Company would expect the same from you.

Your initial designation will be "**Software Engineer ILP**" (**Band & Grade – A1**). You will be on probation for a period of 6 months beginning the start date of employment. On successful completion of probation, you will be re-designated as "**Software Developer**" (**Band & Grade - A2**).

Your annual CTC will be **300,000 (Three Lakhs)**. Please find the annual salary break-down structure in Annexure-1.

In order to enable you to reach a high level of proficiency and effectiveness in the software industry, the Company will provide you training for a period of ten (10) weeks during the probation period. However, the company reserves the right to change the duration of your training period based on business requirements. The company will make sure that changes, if any, regarding the duration of the training, are communicated to you well in advance.

During probation, you will undergo training according to the schedules fixed by the Company. Normally your training timings will coincide with the normal working hours of the establishment of the Company where you are placed. You may also be called upon to attend training as and when required on holidays. You will comply with all regulations of the Company in relation to conduct and discipline as applicable to employees. In case you conduct yourself in a manner that is in violation of such regulations, the Company shall be entitled to discontinue your probation/employment forthwith, without notice or payment in lieu of notice.

The Company shall have the right to terminate your probation/employment without any notice or payment in lieu of notice, if any declaration given or information furnished by you to the Company is found to be false or if you are found to have willfully suppressed any material information or on non performance during probation/training.

During probation, a notice of one month is required to terminate employment from either side. The Company may terminate your employment by payment in lieu of the one month's notice, without assigning any reason whatsoever, at the sole discretion of the Company.

Your employment will be confirmed after a period of 6 months subject to your performance during this period. The Company may, in its sole discretion, decide to extend your period of probation for a further period of upto 3 months if your performance is unsatisfactory. Successful completion of training is mandatory and will be an important criterion for confirmation.

On confirmation of your employment in the regular service of the Company, either party may terminate this employment by giving written notice of 60 days to the other. However, the Company may, at its discretion, choose to pay your salary in lieu of such notice or may require you to avail leave, due to you, during such notice period. If at your request, the Company agrees to relieve you before serving the full notice period, you will be liable to pay the Company in lieu of the balance notice period. However, please note that accepting any such early relieving request would be entirely at the discretion of the Company.

If you decide to terminate the employment during the training period / extended period of training /probation/ before completing one year of service in US Technology after the training, you will be liable to reimburse the cost of training to the Company. The cost of training to be reimbursed by you will be calculated by the company and communicated to you at the time of termination of employment. Any exception to this rule will be at the sole discretion of the Company.

If our offer of employment, subject to the terms and conditions above, is acceptable to you, please return a duplicate copy of this letter with your signature signifying your acceptance of the above terms on or before **11-SEP-2015**. If no such intimation of acceptance is received on or before the said date, this offer shall stand automatically withdrawn. Subsequent to your acceptance of these terms, you will be intimated the structure, content and the date of commencement of your Training Period by e-mail.

Sincerely,

For US Technology International Pvt Ltd

Successful completion of training is mandatory and will be an important criterion for confirmation.

On confirmation of your employment in the regular service of the Company, either party may terminate this employment by giving written notice of 60 days to the other. However, the Company may, at its discretion, choose to pay your salary in lieu of such notice or may require you to avail leave, due to you, during such notice period. If at your request, the Company agrees to relieve you before serving the full notice period, you will be liable to pay the Company in lieu of the balance notice period. However, please note that accepting any such early relieving request would be entirely at the discretion of the Company.

If you decide to terminate the employment during the training period / extended period of training /probation/ before completing one year of service in US Technology after the training, you will be liable to reimburse the cost of training to the Company. The cost of training to be reimbursed by you will be calculated by the company and communicated to you at the time of termination of employment. Any exception to this rule will be at the sole discretion of the Company.

If our offer of employment, subject to the terms and conditions above, is acceptable to you, please return a duplicate copy of this letter with your signature signifying your acceptance of the above terms on or before **11-SEP-2015**. If no such intimation of acceptance is received on or before the said date, this offer shall stand automatically withdrawn. Subsequent to your acceptance of these terms, you will be intimated the structure, content and the date of commencement of your Training Period by e-mail.

Sincerely,

For **US Technology International Pvt Ltd**

Dear C V Anjitha Sreedhar,

Welcome to the US Technology Family!

Thank you for the keen interest you have shown in our organization. Consequent to your application, interviews and the personal discussions with us, we are pleased to offer you a career with **US Technology International Pvt Ltd.** ("**US Technology**"). Please accept our heartiest congratulations.

You have every reason to be excited at the prospect of this opportunity to work with one of the best companies in the world. US Technology is one of the fastest growing IT companies in the world. During your tenure in US Technology, you will have ample opportunity to learn and develop, personally as well as professionally. The Company will expose you to a world-class, professional environment that should help you to become a top-notch software professional.

You have performed extremely well in the selection tests and you should be proud of being selected for this opportunity from a large crowd of aspirants. As much as you would have high expectations from the Company, it is only natural that the Company would expect the same from you.

Your initial designation will be "**Software Engineer ILP**" (**Band & Grade – A1**). You will be on probation for a period of 6 months beginning the start date of employment. On successful completion of probation, you will be re-designated as "**Software Developer**" (**Band & Grade - A2**).

Your annual CTC will be **300,000 (Three Lakhs)**. Please find the annual salary break-down structure in Annexure-1.

In order to enable you to reach a high level of proficiency and effectiveness in the software industry, the Company will provide you training for a period of ten (10) weeks during the probation period. However, the company reserves the right to change the duration of your training period based on business requirements. The company will make sure that changes, if any, regarding the duration of the training, are communicated to you well in advance.

During probation, you will undergo training according to the schedules fixed by the Company. Normally your training timings will coincide with the normal working hours of the establishment of the Company where you are placed. You may also be called upon to attend training as and when required on holidays. You will comply with all regulations of the Company in relation to conduct and discipline as applicable to employees. In case you conduct yourself in a manner that is in violation of such regulations, the Company shall be entitled to discontinue your probation/employment forthwith, without notice or payment in lieu of notice.

The Company shall have the right to terminate your probation/employment without any notice or payment in lieu of notice, if any declaration given or information furnished by you to the Company is found to be false or if you are found to have willfully suppressed any material information or on non performance during probation/training.

During probation, a notice of one month is required to terminate employment from either side. The Company may terminate your employment by payment in lieu of the one month's notice, without assigning any reason whatsoever, at the sole discretion of the Company.

Your employment will be confirmed after a period of 6 months subject to your performance during this period. The Company may, in its sole discretion, decide to extend your period of probation for a further period of upto 3 months if your performance is unsatisfactory. Successful completion of training is mandatory and will be an important criterion for confirmation.

On confirmation of your employment in the regular service of the Company, either party may terminate this employment by giving written notice of 60 days to the other. However, the Company may, at its discretion, choose to pay your salary in lieu of such notice or may require you to avail leave, due to you, during such notice period. If at your request, the Company agrees to relieve you before serving the full notice period, you will be liable to pay the Company in lieu of the balance notice period. However, please note that accepting any such early relieving request would be entirely at the discretion of the Company.

If you decide to terminate the employment during the training period / extended period of training /probation/ before completing one year of service in US Technology after the training, you will be liable to reimburse the cost of training to the Company.
